

Hello!

You have booked your ticket for the Science Museum of Granada
(Parque de las Ciencias)
Thank you for trusting in Nhue!

This document is not your ticket.
You will receive your ticket by email very soon.

In case you need it, our emergency contact number is +34 661 04 26 73

The best way to get to the Museum from the city centre is to walk (for about 15-20 minutes along the Genil's riverside).

If you prefer to go by bus, then take the line LAC in the city centre and get out in Violón stop. Then, take the line SN5 until Parque de las Ciencias stop.

Try to avoid the car. Traffic is crazy in Granada!

Enjoy your visit !
